

Contributor License Agreement for Arbitrum Nitro

In order to clarify the intellectual property license granted with Contributions (as defined below) from any person or entity, Offchain Labs, Inc. ("**Offchain Labs**") must have a Contributor License Agreement ("**CLA**") on file that has been signed by each Contributor (as defined below), indicating agreement to the license terms below. This license is for Your protection as a Contributor as well as the protection of Offchain Labs and its users; it does not change Your rights to use Your own Contributions for any other purpose.

This CLA allows either an individual or an entity (a "**Corporation**") to submit Contributions to Offchain Labs, to authorize Contributions submitted by its employees or agents to Offchain Labs (in the case of a Corporation), and to grant copyright and patent licenses thereto.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to Offchain Labs. Except for the license granted herein to Offchain Labs and recipients of software distributed by Offchain Labs, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

"**You**" (or "**Your**") shall mean you as an individual (if you are signing this CLA on your own behalf) or the Corporation (if the person signing this CLA is acting on behalf of the Corporation) that is making this CLA with Offchain Labs. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor and this CLA shall apply to Contributions by all such entities. For the purposes of this definition, "**control**" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"**Contribution**" shall mean the code, documentation or other original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to Offchain Labs for inclusion in, or documentation of, any of the products owned or managed by Offchain Labs (the "**Work**"). For the purposes of this definition, "**submitted**" means any form of electronic, verbal, or written communication sent to Offchain Labs or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Offchain Labs for the purpose of discussing and improving the Work, but excluding any communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this CLA, You hereby grant to Offchain Labs and to recipients of software distributed by or on behalf of Offchain Labs a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.
3. Grant of Patent License. Subject to the terms and conditions of this CLA, You hereby grant to Offchain Labs and to recipients of software distributed by or on behalf of Offchain Labs a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any person or entity institutes patent litigation against You or any other person or entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which You have contributed, constitutes direct or indirect patent infringement, then any patent licenses granted to that person or entity under this CLA for that Contribution or Work shall terminate as of the date such litigation is filed.
4. You represent that You have sufficient rights and are legally entitled to grant the above licenses with respect to each Contribution. If this CLA is being made on behalf of the Corporation, the individual signing this CLA represents that he or she is authorized to do so on behalf of the Corporation to enter into this CLA, and the Corporation represents further that each employee or agent of the Corporation designated by it is authorized to submit Contributions on behalf of the Corporation. If You are making the Contribution as an individual, and if Your present or past employer(s) or other entities for whom you have performed work has rights to intellectual property that You create that includes Your Contributions, You represent that You have received permission to make Contributions on behalf of that employer or such other entity, that Your employer or such other entity has waived such rights for Your Contributions to Offchain Labs, or that Your employer or such other entity has executed a separate CLA with Offchain Labs.
5. You represent that each of Your Contributions is Your original creation (see section 8 for submissions that are not Your original creation).
6. Based on the grant of the rights in sections 2 and 3, You acknowledge and agree that we may license Your Contributions under any license, including copyleft, permissive, commercial, or proprietary license. To the extent such Contributions are made available under the Business Source License, such Contributions may be subject to the Change Date applicable to the version of release as defined and described therein.

8. Should You wish to submit work that is not Your original creation, You may submit it to Offchain Labs separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which You are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
9. You agree to notify Offchain Labs of any facts or circumstances of which You become aware that would make these representations inaccurate in any respect.
10. This CLA and any action related thereto will be governed by the laws of Delaware without regard to its conflict of laws provisions. Exclusive jurisdiction and venue for actions related to this CLA will be a court of competent jurisdiction in San Francisco, California, and both parties consent to the jurisdiction of such courts with respect to any such actions. If this CLA is modified or updated by Offchain Labs, Offchain Labs will notify You of such updates on Offchain Labs GitHub portal or will notify You via Your registered email address or via Your GitHub account (if applicable).
